Practice 4.2

The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should justify and seek annual shareholders' approval. If the board continues to retain the independent director after the twelfth year, the board should seek annual shareholders' approval through a two-tier voting process.

Application	:	Departure
Explanation on application of the practice	:	
Explanation for departure	:	<p>Dato' Ng Mann Cheong has served as an Independent Non-Executive Director ("INED") for a cumulative term of more than 12 years while Mr. Siew Kah Toong has served as an INED of the Company for a cumulative term of more than nine (9) years.</p> <p>Following an assessment by the Nominating and Remuneration Committee ("NRC"), the NRC concluded that the independence of Dato' Ng Mann Cheong and Mr. Siew Kah Toong remains unimpaired and their judgement over business dealings of the Company is not influenced by the interest of other Directors or substantial shareholders.</p> <p>Accordingly, the Board recommended that Dato' Ng Mann Cheong and Mr. Siew Kah Toong who have served as INEDs of the Company for a cumulative term of more than 12 years and nine (9) years respectively, be retained as INEDs subject to shareholders' approval at the forthcoming AGM of the Company.</p> <p>With the calibre, qualifications, experience and personal traits, particularly on integrity and objectivity possessed by Dato' Ng Mann Cheong and Mr. Siew Kah Toong, the Board believes that both Dato' Ng Mann Cheong and Mr. Siew Kah Toong are well positioned to discharge their duties and responsibilities as INEDs towards meeting the Company's needs for the ensuing year, and they can continue to perform their duties without being subjected to undue influence. Key justifications for retaining them as INEDs are disclosed in the Notice of AGM in the Company's Annual Report 2019.</p> <p>Practice 4.2 of the Malaysian Code on Corporate Governance ("MCCG") states that if the Board continues to retain an INED after the</p>

	<p>12th year, the Board should seek annual shareholders' approval through a two-tier voting process.</p> <p>The Board is guided by a legal opinion obtained from its legal counsel that the two-tier voting outlined in the MCCG is not compatible with the provisions of Section 291 of the Companies Act 2016, as there is only one class of ordinary shares in the Company and the rights of the shareholders, including the right to vote, shall rank pari passu. This is irrespective of whether a shareholder is a "Large Shareholder" (as defined in the MCCG) or a shareholder other than such a "Large Shareholder". A resolution which is passed by a majority of shareholders must be regarded as having been validly passed as a matter of law irrespective of whether a majority of both the "Large Shareholders" and other shareholders had voted in favour of such a resolution as required under the MCCG.</p> <p>Based on the legal opinion, the Board is of the view that the "two-tier voting process" is unworkable as a matter of law and that the only legally permissible way for shareholders of the Company to approve the continuance of Dato' Ng Mann Cheong as an INED for the ensuing year is to pass an ordinary resolution to that effect.</p> <p>Accordingly, the Board will seek shareholders' approval at the forthcoming AGM for the continuance of Dato' Ng Mann Cheong and Mr Siew Kah Toong as INEDs via the usual single-tier voting. This process allows shareholders to provide the relevant sounding to the Board on the INED who has served beyond the 12th year.</p>

In identifying candidates for appointment of directors, the board does not solely rely on recommendations from existing board members, management or major shareholders. The board utilises independent sources to identify suitably qualified candidates.

Application	: Applied
Explanation on application of the practice	<p>The Board has stipulated specific terms of reference for the Nominating and Remuneration Committee (“NRC”), which cover, inter-alia, assessing and recommending to the Board the candidature of Directors, appointment of Directors to Board Committees and training programmes for the Directors. In the Board nomination and election of new Director, the NRC is tasked to conduct an evaluation and assessment of the candidate’s ability to discharge his/her duty effectively and efficiently, prior to making recommendation to the Board for its approval. For Large Companies, the board engages independent experts periodically to facilitate objective and candid board evaluations.

Application	:	Applied
Explanation on application of the practice	:	<p>The Nominating and Remuneration Committee (“NRC”) is entrusted to review annually the required mix of skills and experience of Directors, succession plans and Board diversity, including gender, age and ethnicity diversity, training requirements for Directors and other qualities of the Board, including core-competencies which the Independent Non-Executive Directors (“INEDs”) should bring to the Board. Practice 7.2

The board discloses on a named basis the top five senior management's remuneration component including salary, bonus, benefits in-kind and other emoluments in bands of RM50,000.

Application	:	Departure
Explanation on application of the practice	:	The Board is of the view that the disclosure of Senior Management's remuneration on a named basis with various remuneration components is not in the best interest of the Group, as it gives rise to recruitment and talent retention issues and may lead to those key senior management personnel being poached by competitors, resulting in the Group losing high calibre personnel who have been contributing to the Group's performance.
Explanation for departure	:	<p>The Company, as an alternative, opted to disclose the names of the key senior management of the Company and aggregate remuneration of the key senior management on a group basis. The key senior management of the Company comprises the Chief Financial Officer and the heads of major subsidiaries, who have the authority and responsibility for planning, directing and controlling business operations of the Group's core business and major subsidiaries' business activities.</p> <p>The Board is of the view that this disclosure provides an alternative means for stakeholders to assess whether the key senior management personnel of the Group are remunerated fairly and appropriately, taking into account the Group's performance for the financial year, in line with the Intended Outcome of Practice 7.2.</p> <p>The key senior management (excluding Executive Directors) of the Company are Mr. Chong Choon Yeng (appointed on 14 May 2020), Mr. Nicholas Tan Chye Seng, Mr. Christopher Tan Kok Leong, Mr. Wong King Yoon, Ms. Ong Siew Luan, Mr. Michael Yao Tsu-Wei and Mr. Teong Seng Kiang, the designations and profiles of whom are disclosed in the Company's Annual Report 2019.
