Dear Shareholders

PART I : PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES ("PROPOSED SHARE BUY-BACK")

PART II : PROPOSED SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE ("PROPOSED SHAREHOLDERS' MANDATE")

1. INTRODUCTION

At the Company's 52nd AGM held on 29 May 2024, the shareholders gave approval for:

- (a) the Directors to purchase and/or hold up to 10% of the total number of issued shares of the Company;
and
- (b) the Company and its subsidiaries to enter into Recurrent Related Party Transactions.

The above approvals shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM unless fresh approvals are obtained.

On 28 February 2025, the Company announced to Bursa Malaysia that it would seek approval from its shareholders for the Proposed Share Buy-Back and Proposed Shareholders' Mandate at the forthcoming AGM of the Company.

The Proposed Share Buy-Back and Proposed Shareholders' Mandate would become effective immediately upon the passing of the proposed resolutions and will expire at the conclusion of the next AGM of the Company unless the authority and mandate are further renewed by resolutions passed at a general meeting (either unconditionally or subject to conditions) or upon the expiration of the period within which the next AGM of the Company after that date is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act), or revoked or varied by ordinary resolutions of the shareholders of the Company in a general meeting, whichever occurs first.

The purpose of this Circular is to provide you with information on the Proposals and to seek your approval for the proposed resolutions to be tabled at the forthcoming AGM of the Company.

2. PART I : PROPOSED SHARE BUY-BACK

2.1 DETAILS OF THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back will allow the Board to exercise the power of the Company to purchase and/or hold its own shares on Bursa Malaysia up to 10% of its total number of issued shares at any point in time during the authorised period (as explained below), subject to the provisions of Section 127 of the Act and regulations thereunder, the Listing Requirements, the Company's Constitution and any prevailing laws, regulations, rules, orders, guidelines and requirements of any relevant authorities (as may be amended, modified or re-enacted from time to time) at the time of purchase(s). The Proposed Share Buy-Back will be executed through Bursa Malaysia via TCMH's appointed stockbrokers.

The authorised period for the Proposed Share Buy-Back, if approved at the forthcoming AGM, shall be effective immediately upon the passing of the ordinary resolution pertaining to the Proposed Share Buy-Back at the forthcoming AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM of the Company at which time the authority shall lapse unless by an ordinary resolution passed at a general meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM is required by law to be held; or
- (c) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting;

whichever occurs first.

The Company may retain the shares purchased as treasury shares or cancel the shares or both, depending on the capital requirements of the Company at that point in time. Where the Company retains the purchased shares as treasury shares, the Directors of the Company may:

- (a) distribute the shares as share dividends to shareholders;
- (b) resell the shares through Bursa Malaysia in accordance with the rules of Bursa Malaysia;
- (c) transfer the shares for the purposes of or under an employees' share scheme;
- (d) transfer the shares as purchase consideration;
- (e) cancel the shares; or
- (f) sell, transfer or otherwise use the shares for such other purposes as permitted by the Act.

Appropriate announcement(s) and notification(s) will be made to Bursa Malaysia and the relevant authorities in respect of the Board's decision on the treatment of the TCMH Shares bought back in compliance with the Listing Requirements and the Act.

While the purchased shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in any other distributions, whether cash or otherwise, of the Company's assets (including any distribution of assets upon winding up of the Company) will be suspended. The treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

2.2 QUANTUM, FUNDING AND PRICING

The actual number of TCMH Shares which may be purchased and the timing of the purchase(s) will depend on, inter alia, market conditions, the availability of retained earnings and financial resources of the Company as well as Bursa Malaysia's requirement to maintain the necessary shareholding spread and the minimum total number of issued shares.

The Proposed Share Buy-Back will be financed through internally generated funds and shall be made out of the retained earnings of the Company. The maximum amount of funds to be allocated for the Proposed Share Buy-Back will be subject to the retained earnings of the Company. Based on the latest audited financial statements of the Company as at 31 December 2024, the retained earnings were RM2,209,914,000.

Based on the total number of issued shares of TCMH less treasury shares as at 31 March 2025, the maximum number of TCMH Shares that may be purchased amounts to 46,827,000 shares. Based on the weighted average market price for the five (5) market days up to 31 March 2025 (being the latest practicable date prior to the printing of this Circular) of RM0.3172 per share, the maximum purchase cost would be about RM14.85 million.

The Board will be mindful of the interests of the Company and its shareholders when undertaking the Proposed Share Buy-Back and will assess the working capital needs of the TCMH Group prior to any purchase of TCMH shares.

2.3 REGULATORY REQUIREMENTS

In accordance with the Listing Requirements, the Company may only purchase the ordinary shares on Bursa Malaysia at a price which is not more than 15% above the weighted average market price for the five (5) market days immediately before the purchase. The Company may only resell/transfer treasury shares on Bursa Malaysia at:

- (a) a price which is not less than the weighted average market price for the shares for the five (5) market days immediately before the resale/transfer; or
- (b) discounted price of not more than 5% to the weighted average market price for the shares for the five (5) market days immediately before the resale/transfer provided that:
 - (i) the resale/transfer takes place not earlier than 30 days from the date of purchase; and
 - (ii) the resale/transfer price is not less than the cost of purchase of the shares being resold/transferred.

Based on the Listing Requirements, the Proposed Share Buy-Back is subject to, inter alia, the following:

- (a) the Company must not purchase its own shares on Bursa Malaysia if the purchase(s) will result in TCMH not complying with the public shareholding spread requirement of at least 25% of its total number of issued shares (excluding treasury shares) are in the hands of public shareholders;
- (b) the purchase price of shares and the subsequent resale price of treasury shares on Bursa Malaysia, as set out above;
- (c) the maximum funds to be utilised for the purchase of the Company's own shares cannot exceed the level of retained earnings of the Company;
- (d) the Proposed Share Buy-Back shall only be effected on the market of Bursa Malaysia. Consequently, the Proposed Share Buy-Back shall be transacted through appointed stockbrokers; and
- (e) the approval of the shareholders at the forthcoming AGM of the Company.

2.4 RATIONALE/POTENTIAL ADVANTAGES AND DISADVANTAGES

The Proposed Share Buy-Back will enable the Company to utilise its surplus financial resources to purchase its own shares. The Proposed Share Buy-Back is expected to stabilise the supply and demand as well as the prices of TCMH Shares. The Proposed Share Buy-Back may enhance the EPS and the shares purchased which are held as treasury shares may be realised with potential gain. In the event the treasury shares are distributed as share dividends, it will serve as a reward to the shareholders of the Company.

The potential advantages and disadvantages of the Proposed Share Buy-Back to the Company and its shareholders are as follows:

Potential Advantages

- (i) will allow the Company the flexibility in attaining its desired capital structure;
- (ii) will serve to reward the shareholders in the event the treasury shares are distributed as share dividends; and

- (iii) will allow the Company to utilise its surplus financial resources to purchase its own shares, hence, stabilise the supply and demand of TCMH Shares.

Potential Disadvantages

- (i) the Proposed Share Buy-Back will reduce the financial resources of the TCMH Group and may result in the TCMH Group forgoing better investment opportunities that may emerge in the future; and
- (ii) as the Proposed Share Buy-Back can only be made out of retained earnings of the Company, it may result in the reduction of financial resources available for distribution to shareholders of the Company in the immediate future.

2.5 PURCHASE, CANCELLATION AND RE-SALE/TRANSFER IN THE PREVIOUS 12 MONTHS

TCMH had bought back 130,000 of its own shares in the preceding 12 months ended 31 March 2025. Details of the shares bought back and currently held as treasury shares are as follows:

10/12/2024	10,000	0.480	0.475	0.478	4,826.44

The total number of shares bought back as at 31 March 2025 was 20,373,000, all of which were held as treasury shares. TCMH did not cancel or re-sell/transfer any of its treasury shares during the same period.

As at the date of this Circular, the Company has not decided on the action to be taken on the TCMH Shares purchased and held as treasury shares. The decision will be made by the Board at the appropriate time.

2.6 EFFECTS OF THE PROPOSED SHARE BUY-BACK

Based on the assumption that the Proposed Share Buy-Back is carried out in full and the shares so purchased are cancelled or alternatively retained as treasury shares or both, the effects of the Proposed Share Buy-Back on the total number of issued shares, NA, working capital, earnings, dividends and substantial shareholders' and Directors' shareholdings as well as the implications relating to the Code are as set out below:

(a) Total Number of Issued Shares

In the event that the maximum number of shares authorised under the Proposed Share Buy-Back are purchased and cancelled, the total number of issued shares of TCMH as at 31 March 2025 will be as follows:

	<u>No. of Shares</u>
Total number of issued shares	672,000,000
Purchased and held as treasury shares as at 31 March 2025	(20,373,000)
Proposed Share Buy-Back if the maximum no. of shares are purchased	(46,827,000)
Resultant total number of issued shares, if the treasury shares are cancelled	604,800,000

However, if all the TCMH Shares purchased are retained as treasury shares, the shares repurchase would not have any effect on the total number of issued shares of TCMH, although substantially all rights attached to the shares held as treasury shares would be suspended.

(b) NA

The effect of the Proposed Share Buy-Back on the NA per share of the TCMH Group is dependent on the purchase price of the TCMH Shares as follows:

- (i) If all the purchased TCMH Shares are cancelled and the purchase price of the TCMH Shares exceeds the NA per share of the TCMH Group, the NA per share of the TCMH Group will decrease.
- (ii) Conversely, if all the purchased TCMH Shares are cancelled and the purchase price of the TCMH Shares is below the NA per share of the TCMH Group, the NA per share of the TCMH Group will increase.
- (iii) If the purchased shares are treated as treasury shares and subsequently resold/transferred on the Bursa Malaysia, the NA per share of the TCMH Group will increase if the Company realises a gain from the resale, and vice-versa. If the treasury shares are distributed as share dividends, the NA of the TCMH Group will decrease by the cost of the treasury shares.

Based on the audited financial statements for financial year ended 31 December 2024, the NA per share of the TCMH Group is RM3.85.

(c) Working Capital

The Proposed Share Buy-Back is likely to reduce the working capital of the TCMH Group, the quantum of which depends on, amongst others, the number of shares purchased and the purchase price of the shares. The cash flow of the TCMH Group will be reduced relatively to the number of shares eventually purchased and the purchase prices of the shares.

However, if the purchased shares are treated as treasury shares and subsequently resold/transferred on the Bursa Malaysia, the working capital and cash flow of the TCMH Group will increase should the Company realise a gain from the resale/transfer. Again, the quantum of the increase in the working capital and cash flow will depend on the actual selling price of the treasury shares and the number of treasury shares resold/transferred.

(d) Earnings

The effect of the Proposed Share Buy-Back on the EPS of TCMH is dependent on the number of TCMH Shares purchased and the purchase price(s) of the TCMH Shares, wherein the amount spent would no longer be available to generate interest savings and/or for alternative investment income to the Company. The effective reduction in the number of TCMH Shares applied in the computation of the consolidated EPS arising from the Proposed Share Buy-Back will generally, all else being equal, have a positive impact on the TCMH Group's EPS.

In the event that the shares purchased are treated as treasury shares and subsequently resold/transferred, the extent of the effect on the EPS of TCMH will depend on the number and price(s) of treasury shares resold/transferred, and the effect gain or interest saving arising therefrom.

(e) Dividend

The Company paid one (1) interim single tier dividend of 1.0 sen per ordinary share in respect of the financial year ended 31 December 2024 on 28 June 2024.

The Proposed Share Buy-Back is not expected to have a material impact on the rate of dividend to be declared and/or paid by TCMH for the financial year ending 31 December 2025, if any.

(f) Substantial Shareholders' and Directors' Shareholdings

The effects of the share repurchase on the shareholdings of substantial shareholders and Directors based on the Register of Substantial Shareholders and the Register of Directors' Shareholdings respectively as at 31 March 2025 are as follows:

	<-----No. of TCMH Shares held----->

(g) Implication Relating to the Code

The Proposed Share Buy-Back, if carried out in full will result in the equity interest of TCC in TCMH to increase from 40.49% as at 31 March 2025 to 43.62% after the share repurchase.

If the Proposed Share Buy-Back results in the equity interest of TCC and persons acting in concert with it in TCMH to increase by more than 2% in any six (6) months period, pursuant to the Code, TCC and persons acting in concert with it may be obliged to undertake a mandatory offer for all the TCMH Shares not held by them collectively. However, a waiver to undertake a mandatory offer may be granted by the Securities Commission Malaysia under the Code, subject to the affected substantial shareholders and parties acting in concert complying with certain conditions.

2.7 PUBLIC SHAREHOLDING SPREAD

As at 31 March 2025, the public shareholding spread of the Company was 44.06%. Assuming the Proposed Share Buy-Back is to be implemented in full, the public shareholding spread of the Company based on the position as at 31 March 2025 is expected to be reduced to 39.73%.

2.8 SHARE PRICES

The monthly highest and lowest prices of TCMH Shares traded on Bursa Malaysia for the last 12 months from April 2024 to March 2025 were as follows:

3. PART II : PROPOSED SHAREHOLDERS' MANDATE

TCMH is principally an investment holding company, while its subsidiaries are involved in the assembly and distribution of motor vehicles, provision of after-sales services, provision of financial services such as hire purchase financing and insurance agency, and property investment.

Discussions are also held regularly with the related parties and there are constant payments received to reduce the outstanding amount accordingly.

- (i) At least three (3) quotations from unrelated third parties for similar products/services are required for comparison whenever possible.
- (ii) For the purchase of automotive components with certain engineering specifications required which are not commonly available among vendors in general, pricing is set through a series of negotiations with the related party vendors on terms which are fair and reasonable and not detrimental to the Company.
- (iii) Rental charges and payables are determined according to the market valuation from independent professional valuers.
- (iv) Trading terms are given based on the Group's standard credit policy and for sale of motor vehicles, standard discounts are given depending on the volume of purchase which is consistent to that given to other dealers.
- (v) Repair and services provided by the workshops to the related parties are invoiced using the standard rates captured in the system which also apply to external customers.
- (vi) Purchase of air tickets is according to the airlines market selling price.
- (vii) Hire purchase financing and leasing interest rates charged to the related parties are similar to those applicable to other customers.

There are no separate thresholds for approval of RRPTs within the Group. This is consistent with TCMH Group's objectives of brand building and maintaining our competitive edge.

(i) **Writ of Summons and Statement of Claim served on Tan Chong Industrial Equipment Sdn. Bhd. (“TCIE”)**

On 15 August 2017, TCIE, a wholly-owned subsidiary of the Company received a sealed Writ of Summons dated 12 August 2017 and Statement of Claim dated 11 August 2017 (“the Plaintiffs’ Claim”), a sealed copy of a Notice of Application for Injunction dated 12 August 2017 (“the Application”) and Affidavit in Support dated 11 August 2017 from the solicitors acting for Transnasional Express Sdn. Bhd. (“Transnasional”), Plusliner Sdn. Bhd. (“Plusliner”), Syarikat Kendaraan Melayu Kelantan Berhad (“SKMK”), Syarikat Rembau Tampin Sdn. Bhd. (“SRT”), Kendaraan Langkasuka Sdn. Bhd. (“Langkasuka”), Epicon Berhad (formerly known as Konsortium Transnasional Berhad) and MHSB Properties Sdn. Bhd. (“MHSB”) (collectively known as “Plaintiffs”).

TCIE entered into a series of lease agreements with Transnasional, Plusliner and SKMK and a series of service maintenance agreements with Transnasional, Plusliner, SKMK, SRT and Langkasuka (collectively known as “Debtors”) for the lease and service maintenance of the vehicles. The Debtors owed to TCIE outstanding rentals and service bills amounting to RM32,920,575 (“Debt”).

After lengthy negotiations, the Debtors and KTB mutually agreed to enter into a Settlement Agreement with TCIE on 4 July 2016 (“Settlement Agreement”) with the following, inter alia, terms:

- i. to settle the Debt by transferring a piece of land held under H.S.(D) 87546, PT No. 7929, Bandar Ampang, Daerah Ulu Langat, Negeri Selangor (“Land”) from MHSB to TCIE at an agreed price of RM16,000,000.00 and repayment the balance debt of RM16,920,575.06 in cash in several instalments (“Balance Debt”); and
- ii. in the event of breach of the Settlement Agreement, TCIE was entitled to terminate the Settlement Agreement and repossess the vehicles.

Pursuant to the Settlement Agreement, a Sale and Purchase Agreement was entered into between MHSB and TCIE on 4 July 2016 for the sale of the Land.

As the Debtors failed to make timely repayments of the Balance Debt in accordance with the Settlement Agreement; TCIE had exercised its contractual rights to repossess the vehicles leased to the Debtors.

Subsequently, the Plaintiffs filed the Plaintiffs Claim claiming, amongst others:

- i. an injunction to restrain TCIE from proceeding with the repossession and disposal of the vehicles, taking any legal action under the Settlement Agreement until the disposal of the Plaintiffs’ Claim and entering into any dealing in relation to the Land;
- ii. a declaration that the value of the Land was RM55,600,000.00;
- iii. payment of the sum of RM22,679,424.94 to MHSB;
- iv. the return of the vehicles to the Plaintiffs;
- v. payment of the sum of RM877,000.00 being compensation paid by the Government of Malaysia for acquisition of part of the Land to the Plaintiffs.

On 12 September 2017, TCIE filed a Defence and application to strike out the Plaintiffs’ Claim.

On 4 January 2018, the High Court allowed TCIE’s application to strike out the Plaintiffs’ Claim and dismissed the Plaintiffs’ injunction application with costs of RM5,000 (“the High Court Striking Out Order”).

On 13 December 2018, the Plaintiffs withdrew their injunction application against TCIE with no order to costs.

On 15 November 2018, the Court of Appeal had allowed the Plaintiffs’ Appeal with costs in the cause and set aside the High Court Striking Out Order of 4 January 2018 (“the Court of Appeal Order”).

On 27 December 2018, TCIE filed an application for leave at the Federal Court to appeal against the Court of Appeal Order dated 15 November 2018 (“the Leave Application”).

On 7 October 2020, the Federal Court dismissed with cost TCIE’s application for leave to appeal against the Court of Appeal Order regarding TCIE’s application to strike out the Plaintiffs’ Claim.

On 2 November 2020, the Plaintiffs filed an application to amend the pleadings in the High Court (“Plaintiffs’ Amendment Application”). On 14 December 2020, the High Court allowed the Plaintiffs’ Amendment Application, with costs in the sum of RM1,000 to be paid by the Plaintiffs to TCIE.

Pursuant to the Order of the High Court dated 14 December 2020, the Plaintiffs filed and served the Amended Writ and Amended Statement of Claim on 30 December 2020 and TCIE filed and served the Amended Defence on 8 January 2021. The trial was heard before the High Court on 10, 11 and 12 March 2021 and on 2 and 14 April 2021.

On 15 July 2021, the High Court allowed the Plaintiffs' Claim which included orders, inter alia, for: -

- i. a declaration that the value of the Land was RM55,600,000.00;
- ii. repayment of the sum of RM22,679,424.94, with interest at the rate of 5% per annum, to be paid by TCIE to MHSB, the 7th Plaintiff;
- iii. the return of the land acquisition compensation sum of RM877,000.00 by TCIE to the Plaintiffs;
- iv. the return of all the buses by TCIE to the Plaintiffs; and costs in the sum of RM80,000.00, subject to allocatur, to be paid by TCIE to the Plaintiffs.

(collectively known as "High Court Judgement dated 15 July 2021")

On 21 July 2021, TCIE filed the Notice of Appeal against the High Court Judgement dated 17 July 2021 to the Court of Appeal.

On 23 September 2021, the High Court granted a stay of execution in relation to the High Court Judgement dated 15 July 2021 pending the disposal of TCIE's appeal to the Court of Appeal.

On 16 November 2023, the Court of Appeal allowed TCIE's appeal and set aside the High Court Judgement dated 15 July 2021.

The Court of Appeal has also awarded RM120,000.00 in costs to TCIE for the costs of the appeal and the costs of the High Court, subject to allocatur fees.

On 7 December 2023, the Plaintiffs filed a Notice of Motion for leave to appeal to the Federal Court against the decision of Court of Appeal of 16 November 2023. On 7 May 2024, the Federal Court allowed the Plaintiffs' application for leave to appeal to the Federal Court against the decision of Court of Appeal of 16 November 2023 and ordered for costs in the cause. The Plaintiffs have filed the notice of appeal against the decision of Court of Appeal of 16 November 2023 on 17 May 2024 and to file all appeal records by 5 August 2024.

The Plaintiffs filed the Record of Appeal before the Federal Court on 27 June 2024. The hearing of the appeal before the Federal Court initially fixed on 13 November 2024 has been vacated and re-fixed on 27 February 2025.

On 27 February 2025, the Federal Court has dismissed the Plaintiffs' appeal against the decision of the Court of Appeal of 16 November 2023 to dismiss the Plaintiffs' claims against TCIE for:

- i. an injunction to prevent TCIE from repossessing and disposing of its buses, taking legal proceedings to enforce the subject settlement agreement and dealing with the subject land;
- ii. a declaration that the value of the subject land was RM 55,600,000.00 which resulted in overpayment in the sum of RM22,679,424.94;
- iii. an order that TCIE shall pay the sum of RM22,679,424.94 to MHSB Properties Sdn. Bhd., the 7th Plaintiff;
- iv. payment of interest on the sum of RM22,679,424.94;
- v. an order to compel TCIE to return the land acquisition compensation sum of RM877,000.00 to the Plaintiffs;

- vi. an order that TCIE shall return all the buses repossessed by TCIE to the Plaintiffs; and
- vii. costs.

In dismissing the Plaintiffs' said appeal, the Federal Court has also awarded costs of RM80,000.00 in favour of TCIE being the costs of the appeal payable by the Plaintiffs, subject to the payment of allocatur fees.
